"Let your light shine" Matthew 5:16

What a wonderfully wet week its been! Washing machines have no doubt been working overtime, and with the rain keeping us indoors, the children have certainly spent more time inside than any of us would have hoped.

With today's bulletin, you will find information about our upcoming NSPCC Speak Out. Stay Safe. activities taking place in school. Please do take the time to read the attached letter carefully. If you have any questions or queries, please see your child's class teacher. Many schools take part in this programme, which supports children in learning about their own safety in an age appropriate and reassuring way, and it links closely to our commitment to Letting Their Light Shine through care, openness and respect for one another.

We would also like to celebrate the success of the recent Junior Book Fair - we are delighted the event was so well supported! Thank you very much for your engagement.

This week, children from Sonning CE Primary lead our Collective Worship based around 'One World, Many Beliefs – Working Together'. This was a lovely event where we looked at our own impact in the wider community; this included individuals who have been litter picking through to the local and global impact we make at our schools. We talked about the examples of courageous advocacy the children are always so keen to facilitate and the support we give to charities. The children came up with many suggestions of how they work together! A huge thank you to our friends over at Sonning - and for their amazing rendition of Father Abraham.

We are hoping to offer a workshop on one of the following topics:

Supporting Home Learning

Supporting Spelling

Supporting Reading

Maths Mastery

Please let us know which option would be most helpful for you and your family.

We hope you have a lovely weekend.
