

Polehampton C of E Schools ~ Friday 4th September

"Let your light shine" Matthew 5:16

What a lovely start to our 300th year - the children look so smart in their school uniform and have all grown so much over the summer! It's been particularly lovely to meet our new-to-Blue children who have enjoyed exploring their new classroom, meeting new friends and embracing their start to 'big school' with an abundance of energy and enthusiasm. The return to school can take a little getting used to but it won't be long before we're all back into the rhythm ... and it'll feel like we've never been away!

Due to us now having some absolutely adorable younger children (in Nursery), we will need to be more mindful of, and consistent with, the deadlines for the use of Polecats. Please make sure you are booking breakfast or after school club, **24 hours in advance of the time you need.** Lunch orders can be made until 4 hours before.

Please remember to reach 'checked out', in Arbor, for your request to process.

TRAINERS

In a bid to preserve the carpets and flooring at the infants, we are requesting that the children who wish to play football at lunchtime bring in a pair of trainers to keep in school (in a carrier bag).

A reminder that junior children will also need a spare pair trainers to be kept in school for their daily run!

Our lovely little stage in the Blue Class playground is looking a little wonky and, after investigation, we believe we need the help of a carpenter who may be able to work some magic and help it look a little less sorry. If anyone is able to help with this, we would be very grateful and would ask that they email the school office! Thank you in advance.

Finally, please cut grapes and cherry tomatoes in half if your child is having them in their packed lunch. Thank you!

Have a lovely weekend with your children, we're sure you've missed them these past few days!
